

DILLSBURG BANNER

Volume III Number 45

November 15, 1990

Twenty-five cents

Grantham Woods still an Issue of Monaghan Twp.

by Deborah Recker

Monaghan Township Supervisors, Chairman Jacob J. Cottenham, Vice Chairman R. Wayne Miller and Lloyd R. Person agreed at the November Board of Supervisors monthly meeting to continue to allow Mr. G. Thomas Miller to represent Monaghan Township in an appeal from Upper Allen Township Zoning Hearing Board's decision granting a special exception for the erection of Grantham Woods.

The Monaghan Township Board of Supervisors went on record at their February 5, 1990 meeting as formally opposing rezoning efforts of Upper Allen Township in regard to Grantham Woods.

Township residents have actively opposed the \$22 million retirement center since 1985 citing environmental concerns such as high density in a watershed area. Also, unresolved fire and police safety concerns and the rigorous demands that would be placed on Monaghan Township's roads.

In other business, Larry Rhone, Planning Commission Chairman, presented the board with the R. Myers subdivision and planning module. The plan is for a two (2) lot subdivision along S. Grantham Road. The Board voted to accept the Planning Commission's recommendation and approve the plan.

The Board voted to deny the first Ski Roundtop subdivision

and planning module as presented which was for a three (3) lots along E. Mt. Airy Road. The denial came when Chairman Rhone informed the Board of their intent to resubmit a new plan.

Attorney Steven Fishman, representing the Audubon Mobile Home Park, asked the Board of Supervisors for an extension till June 30, 1991, to build a Well house. Fishman also stated that complete improvements to the mobile home park would all be made by June 30, 1992. Fishman cited Department of Environmental Resources changes in regulation for the owners exceeding the five (5) limitation on permits.

Chairman Cottenham informed Fishman that the Board would discuss the matter with the engineer and deferred any decision until the next meeting. In other business, Secretary/Manager Gregory Spear reported that Paul E. DeBuigne has resigned as Township representative for the Northern York Recreation Project. Any township resident interested in the position is asked to contact Spear at the Township building.

Secretary/Manager Spear reported that for the month of October, the Carroll Township Police Force answered thirty-one (31) complaints in Monaghan. Seven (7) criminal complaints were cited with a total of \$943.04 in property losses and \$352.04 as having been recovered. Three (3) cases were cleared.

The Junior Varsity Field Hockey Team pictured above recently held its banquet. See story below.

The October Monaghan Township Volunteer Fire Company report for October cited eight (8) alarms. One (1) in Carroll, three (3) in Upper Allen, one (1) in Warrington, one (1) in Dillsburg, one (1) in Wellsville and (1) in Monaghan. Total man hours for the month were forty

-three (43).

Sylvester Fletcher reported that the CPR course will be given on December 15, 1990, at 8:00 a.m. Anyone interested in the course must be registered by December 1, 1990. Anyone needing information can contact the Fire Company.

Junior High Field Hockey Ends on a Happy Note

by Deb Kerrigan

The Junior High Field Hockey team finished their season with a great 3-0 win over visiting Big Spring. Thirty girls participated in the program this year.

The Varsity team had a record of 4-6-2, winning three of the last four games. As a team, 16 goals were scored making this year's team the highest scoring team ever.

Megan Dunn scored 7 goals and now holds the individual scoring record. Leigh Gochenour was second in scoring with 4, followed by Monica Andrews with three and Alexis Hoch with two. Michelle Woodward, Nicole Mucha, Marcy Sunday, Angie Flohr, Lynsay Shatto, and Melissa Wood also contributed to the offensive efforts.

The defense worked very well together keeping the Bears in every game. Five of the team's losses were by just one goal. The defense was led by Lisa Nell, Kristin Kennedy, Julie Kipe, Dee Dove, Becky Habig, and Karen Shambaugh.

The JV team tied 6 games this season and gained tremendous playing experience for next season. Seventy graders include Carley Strathmeyer, Holly Taylor, Anita Trump, Lindsay Weaver, Heather Lynes and Amy Gerberich. Beth Benley played goalie most of the season for the JV team and had many great efforts. In addition, Hope Brown, Jenny Laughman, Melissa Wagner, Cheri LeClair, Laura White, Sarah Litoff, and Brenda Kreitzer played this season.

Awarded were presented on November 13 at the Booster Banquet. Winners were: Most Improved-Alexis Hoeh; Leadership Award-Lisa Nell; Defense Award-Kristin Kennedy; Scoring Leader-Megan Dunn; MVP (Tie)-Monica Andrews, Leigh Gochenour; Captains: Karen Shambaugh, Julie Kipe, Nicole Mucha, Monica Andrews, Leigh Gochenour.

Managers are: Beth Barbush, Bethann Myers, Annie Thayer

Purple Haze

by Chris Flohr

This week's column is dominated by one subject the cafeteria. Many of you are probably saying, "Oh, no! Remember the last time he talked about the cafeteria?" I'll admit it did create a sort of stir.

Students at NIS and all throughout the school district have been seeing a new man in their cafeterias all year. That man is Mr. Thomas Baal. He's in charge of the Northern School District Food Program.

The Purple Haze staff spoke with Mr. Baal last week and he told "us" of the goals and accomplishments of his school lunch program.

The first thing Mr. Baal did was to vary the menu a bit. The menu is now full of things the students enjoy, not despise. He tried to gear the menus toward the modern student, whom is concerned with nutrition, as well as taste and appearance. Mr. Baal introduced subs and juices at the high school, which many students like very much. Now even if the students don't buy the scheduled lunch, they can get a sub and juice. These items are better than the candy machine snacks, a current favorite of students.

Another of Mr. Baal's accomplishments with the district's pupils is communication. The staff, in turn, responds by relaying that to Mr. Baal or taking it into their own hands. Mr. Baal also hears much feedback from the students personally, especially the elementary kids. He wants to work with the students, not against them.

I would like to thank Mr. Baal for giving this time to explain his job and his ideas. The cafeteria has improved since last year. The changes are definitely for the better. It's really good to have as many choices for a meal as we now do.

On a sports note, last Friday, our Bears clubbed the Trinity Shamrocks 34-12 in an excellent outing for the entire football team. The whole team is looking toward next year to continue the end of this year's success. Also, a special congratulations to the JV football team for their victory over Red Land and on their good season.

The Northern High School Band, getting into formation above, can rest for a bit following a busy fall schedule of practice and performances for football games and competitions.

\$1000 Reward offered in RV Break-ins

Recent break-ins at two area recreational vehicle dealers have prompted the Pennsylvania Recreational Vehicle and Camping Association (PRVCA) to offer a \$1000 reward for information leading to the arrest and conviction of the person or persons responsible. According to PRVCA President Larry Mellott, the association is deeply concerned that the thieves may be targeting RV sales centers as "easy prey." The association is offering the reward in hope of aiding in the apprehension of the intruders.

Early in the morning of October 28, 1990, nine motor homes were stripped of their expensive electronic equipment at Einoyer's RV World in Dillsburg. The Einoyer dealership in Highspire was hit, on a smaller

scale, this past summer. Grumbine's RVs in West Hanover Township, Dauphin Center had seventeen units broken into in August. Authorities say there are similarities in the Grumbine's and Einoyer's incidents. Loss of equipment and damage estimates from the two break-ins totals nearly \$50,000.

Anyone with any information regarding the break-ins at either of the Einoyer locations or Grumbine's is asked to contact the Pennsylvania State Police, Troop H in Harrisburg at 787-7777, extension 18.

The Pennsylvania Recreational Vehicle and Camping Association will pay the \$1000 reward upon the arrest and conviction of those responsible for the break-ins and thefts at the two Harrisburg area RV dealers.

Student Named to Squad

Wellsville resident Teresa M. Clark is a member of the 1990-1991 women's varsity basketball team at Messiah College. Clark is the daughter of Kenneth and Nancy Clark, 135 Community Street.

The Lady Falcons are coached by Mr. Mike Miller. Clark is a 1987 graduate of NHS and is currently a senior elementary education major at Messiah.

Luminaries kits available

Luminaria kits are again available from the American Cancer Society.

Each kit contains materials (candle, white bags and sand) for 12 luminaries, which can be used to illuminate sidewalks, driveways and porches for Christmas or New Year's Eve, or for any festive occasion.

Orders must be received by December 3rd and are to be paid in advance.

For information about luminaria kits, please call the American Cancer Society Cumberland Unit at 243-2140 or 766-2330.

Closed for Thanksgiving

The Dillsburg Banner office will be closed next Thursday and Friday for Thanksgiving.

Dillsburg Banner subscription forms for Christmas gift giving are inside.
